## Attachment to EC-Type Test Certificate IFA 1201138

### Extended filter class:

By pairwise use in the non-power assisted half masks Steelpro V-800 the combination of the gas filters Steelpro V-7800 A1 with the pre filters Steelpro V-7800 PF in connection with the particle filter holders Steelpro retainer will fulfil the requirements of the combined filter class **A1P2 R**.

### Extended application:

In connection with the pre filters Steelpro V-7800 PF for additional protection against non highly volatile liquid and solid particles.

Reusable after particle exposure.
