IN-700141 KOLKATA
WEST BENGAL PRESIDENCY

AITEX, Notified Body No 0161 for the application of Directive 89/686/EEC of 21st December 1989 (O.G.E.C. of 30.12.1989), Royal Decree 1407/1992 of 20th November, in which the minimum requirements that Personal Protective Equipment (PPE) must comply with are set forth.

CERTIFIES:

The company: Tarasafe International Pvt. Ltd.
Budge Budge Trunk Road, P.O. Govindapur, P.S.Maheshtala
IN-700141 KOLKATA - WEST BENGAL PRESIDENCY

Owned of the **EC Type Examination Inspection Certification No. 0161/3656/14** according to the **Test Report No. 2014ID0078** for the **PPE TYPE “TARAKNITS MA220R BALACLAVA 15”** destined to protection of the head, neck and upper shoulder, except the user's eyes, according to standards *EN 340:2003* and *EN ISO 13688:2013* General requirements, *EN ISO 11612:2008* against thermal risks of limited flame spread (A1), convective heat (B1) and radiant heat (C1) and contact heat (F1) and *EN 1149-5:2008* against the risk of accumulation of electrostatic loads according to the standard *EN 1149-3:2004*, presented the following request, according to the **report N° 2017ID0011**.

- Updating of the standard *EN ISO 11612:2008* by the standard *EN ISO 11612:2015*.

The certificate extension is valid for the following item:

PPE TYPE “TARAKNITS MA220R BALACLAVA 15” destined to protection of the head, neck and upper shoulder, except the user's eyes, according to standards *EN 340:2003* and *EN ISO 13688:2013* General requirements, *EN ISO 11612:2015* against thermal risks of limited flame spread (A1), convective heat (B1) and radiant heat (C1) and contact heat (F1) and *EN 1149-5:2008* against the risk of accumulation of electrostatic loads according to the standard *EN 1149-3:2004*.

The current certificate extension does not question the fulfilment of essential requirements, which was verified when the corresponding EC TYPE CERTIFICATION was issued.

Any modification made to the PPE item that is the subject of this certificate extension shall be communicated to the Notified Body (certificate issuer). This requirement is also applicable to any modification made to the technical documentation taken as a basis for the extension of the certificate.

It shall be the manufacturer's sole responsibility to furnish specific information pertaining to this certificate and the tested levels of protection.
